

Authority Measurement Report in Accordance with Section 2824 – a of the PAL

The Authority attended to the maintenance and operation of the small waste water collection and treatment systems it owns in Rensselaer County and its other existing sewer lines. The Authority also continued the application for a \$1.5 million State Legislative Grant to extend an existing sewer line in the Town of Schodack, which will benefit existing homeowners and further economic development along Route 9. The Authority also began working with the Town of East Greenbush on a development that was to hook into their HANYs sewer pumping station.
