WHEREAS, to accomplish its stated purposes, the Agency is authorized and empowered under the Act to acquire, construct and install one or more “projects” (as defined in the Act) or to cause said projects to be acquired, constructed and installed, and to convey said projects or to lease said projects with the obligation to purchase; and

WHEREAS, in March, 2017, Davey’s Realty, LLC, a New York limited liability company (the “Company”), submitted an application (the “Application”) to the Agency, a copy of which Application is on file at the office of the Agency, which Application requested that the Agency consider undertaking a project (the “Project”) for the benefit of the Company, said Project consisting of the following: (A) (1) the acquisition of an interest in a portion of an approximately 5.6 acre parcel of land located at 97 North Greenbush Road in the Town of North Greenbush, Rensselaer County, New York (being a portion of tax map number 123.9-3-2) (the “Land”), (2) the construction on the Land of an approximately 14,000 square foot building (the “Facility”) and (3) the acquisition and installation therein and thereon of certain machinery and equipment (collectively, the “Equipment”), all of the foregoing to constitute an auto body repair facility to be leased to and operated by JNJC Inc. (the “Tenant”) (the Land, the Facility and the Equipment being collectively referred to as the “Project Facility”); (B) the granting of certain “financial assistance” (within the meaning of Section 854(14) of the Act) with respect to the foregoing, including potential exemptions from certain sales and use taxes, real property taxes, real property transfer taxes and mortgage recording taxes (collectively, the “Financial Assistance”); and (C) the lease (with an obligation to purchase) or sale of the Project Facility to the Company or such other person as may be designated by the Company and agreed upon by the Agency; and

WHEREAS, by resolution adopted by the members of the Agency on March 9, 2017 (the “Public Hearing Resolution”), the Agency authorized a public hearing to be held pursuant to Section 859-a of the Act with respect to the Project; and

WHEREAS, pursuant to the authorization contained in the Public Hearing Resolution, the Executive Director of the Agency (A) caused notice of a public hearing of the Agency (the “Public Hearing”) pursuant to Section 859-a of the Act, to hear all persons interested in the Project and the financial assistance being contemplated by the Agency with respect to the Project, to be mailed on March 29, 2017 to the chief executive officers of the county and of each city, town, village and school district in which the Project Facility is to be located, (B) caused notice of the Public Hearing to be posted on (1) March 30, 2017 at the Town Clerk’s office located at 2 Douglas Street in the Town of North Greenbush, Rensselaer County, New York and (2) March 29, 2017 on the Agency’s website, (C) caused notice of the Public Hearing to be published on March 30, 2017 in The Record, a newspaper of general circulation available to the residents of the Town of North Greenbush, Rensselaer County, New York, (D) conducted the Public Hearing on April 11, 2017 at 10:00 a.m., local time at the North Greenbush Town Hall located at 2 Douglas Street in the Town of North Greenbush, Rensselaer County, New York, and (E) prepared a report of the Public Hearing (the “Public Hearing Report”) fairly summarizing the views presented at such Public Hearing and caused copies of said Public Hearing Report to be made available to the members of the Agency; and

WHEREAS, pursuant to Article 8 of the Environmental Conservation Law, Chapter 43-B of the Consolidated Laws of New York, as amended (the “SEQR Act”) and the regulations (the “Regulations”) adopted pursuant thereto by the Department of Environmental Conservation of the State of New York (collectively with the SEQR Act, “SEQRA”), by resolution adopted by the members of the Agency on March 9, 2017 (the “Preliminary SEQR Resolution”), the Agency (A) determined (1) that the Project involves more than one “involved agency”, and (2) that, the Agency wished to investigate the advisability of undertaking a coordinated review with respect to the Project and (B) authorized the Executive Director of the Agency to contact all other “involved agencies” for the purpose of ascertaining whether such

“involved agencies” were interested in undertaking a coordinated review of the Project and, if so, designating a “lead agency” with respect to the Project (as such quoted terms are defined in SEQRA); and

WHEREAS, further pursuant to SEQRA, by resolution adopted by the members of the Agency on April 13, 2017 (the “Final SEQR Resolution”), the Agency (A) concurred in the determination that the North Greenbush Planning Board (the “Planning Board”) is the “lead agency” with respect to SEQRA and (B) acknowledged receipt of a negative declaration from the Planning Board issued on December 5, 2016 (the “Negative Declaration”), in which the Planning Board determined that the Project would not have a significant adverse environmental effect on the environment, and therefore, that an environmental statement need not be proposed with respect to the Project; and

WHEREAS, by further resolution adopted by the members of the Agency on April 13, 2017 (the “Resolution Making Retail Findings”), the Agency (A) found that although the Project Facility appears to constitute a project where facilities or properties that are primarily used in making the retail sales of goods or services to customers who personally visit such facilities may constitute more than one-third of the costs of the Project, the Agency is authorized to provide financial assistance in respect of the Project pursuant to Section 862(2)(a) of the Act because the Project Facility is located in a highly distressed area, (B) determined, following a review of the Public Hearing Report, that the Project would serve the public purposes of the Act by preserving permanent private sector jobs in the State of New York, (C) determined that the Agency would proceed with the Project and the granting of the Financial Assistance; provided however, that no financial assistance would be provided to the Project by the Agency unless and until the County Executive of Rensselaer County, as chief executive officer of Rensselaer County, New York, pursuant to Section 862(2)(c) of the Act, confirmed the proposed action of the Agency with respect to the Project; and

WHEREAS, the Agency has given due consideration to the Application, and to representations by the Company that (A) the granting by the Agency of the Financial Assistance with respect to the Project will be an inducement to the Company to undertake the Project in Rensselaer County, New York and (B) the completion of the Project will not result in the removal of a plant or facility of any proposed occupant of the Project Facility from one area of the State of New York to another area in the State of New York and will not result in the abandonment of one or more plants or facilities of any occupant of the Project Facility located in the State of New York; and

WHEREAS, the Agency desires to encourage the Company to preserve and advance the job opportunities, health, general prosperity and economic welfare of the people of Rensselaer County, New York by undertaking the Project in Rensselaer County, New York; and

WHEREAS, in order to consummate the Project and the granting of the Financial Assistance described in the notice of the Public Hearing, the Agency proposes to enter into the following documents (hereinafter collectively referred to as the “Agency Documents”): (A) a certain lease to agency (the “Lease to Agency” or the “Underlying Lease”) by and between the Company, as landlord, and the Agency, as tenant, pursuant to which the Company will lease to the Agency a portion of the Land and all improvements now or hereafter located on said portion of the Land (collectively, the “Leased Premises”); (B) a certain license agreement (the “License to Agency” or the “License Agreement”) by and between the Company, as licensor, and the Agency, as licensee, pursuant to which the Company will grant to the Agency (1) a license to enter upon the balance of the Land (the “Licensed Premises”) for the purpose of undertaking and completing the Project and (2) in the event of an occurrence of an Event of Default by the Company, an additional license to enter upon the Licensed Premises for the purpose of pursuing its remedies under the Lease Agreement (as hereinafter defined); (C) a lease agreement (and a memorandum thereof) (the “Lease Agreement”) by and between the Agency and the Company, pursuant to which, among other things, the Company agrees to undertake the Project as agent of the Agency and the

Company further agrees to lease the Project Facility from the Agency and, as rental thereunder, to pay the Agency's administrative fee relating to the Project and to pay all expenses incurred by the Agency with respect to the Project; (D) a payment in lieu of tax agreement (the "Payment in Lieu of Tax Agreement") by and between the Agency and the Company, pursuant to which the Company will agree to pay certain payments in lieu of taxes with respect to the Project Facility; (E) a uniform project benefits agreement (the "Uniform Project Benefits Agreement") by and between the Agency and the Company regarding the granting of the financial assistance and the potential recapture of such assistance; (F) a certain recapture agreement (the "Section 875 GML Recapture Agreement") by and between the Company and the Agency, required by the Act, regarding the recovery or recapture of certain sales and use taxes; (G) a sales tax exemption letter (the "Sales Tax Exemption Letter") to ensure the granting of the sales tax exemption which forms a part of the Financial Assistance; (H) a New York State Department of Taxation and Finance form entitled "IDA Appointment of Project Operator or Agency for Sales Tax Purposes" (the form required to be filed pursuant to Section 874(9) of the Act) (the "Thirty-Day Sales Tax Report") and any additional report to the Commissioner of the State Department of Taxation and Finance concerning the amount of sales tax exemption benefit for the Project (the "Additional Thirty-Day Project Report"); (I) if the Company intends to finance the Project with borrowed money, a mortgage and any other security documents and related documents (collectively, the "Mortgage") from the Agency and the Company to the Company's lender with respect to the Project ("the "Lender"), which Mortgage will grant a lien on and security interest in the Project Facility to secure a loan from the Lender to the Company with respect to the Project (the "Loan"); and (J) various certificates relating to the Project (the "Closing Documents");

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF RENSSELAER COUNTY INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Section 1. All action taken by the Executive Director of the Agency with respect to the Public Hearing with respect to the Project is hereby ratified and confirmed.

Section 2. The law firm of Hodgson Russ LLP is hereby appointed Special Counsel to the Agency with respect to all matters in connection with the Project. Special Counsel for the Agency is hereby authorized, at the expense of the Company, to work with the Company, counsel to the Company, counsel to the Agency and others to prepare, for submission to the Agency, all documents necessary to effect the transactions contemplated by this Resolution. Special Counsel has prepared and submitted an initial draft of the Agency Documents to staff of the Agency.

Section 3. The Agency hereby finds and determines that:

(A) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act;

(B) The Project constitutes a "project," as such term is defined in the Act;

(C) The Project site is located entirely within the boundaries of Rensselaer County, New York;

(D) It is estimated at the present time that the costs of the planning, development, acquisition, construction, reconstruction and installation of the Project Facility (collectively, the "Project Costs") will be approximately \$3,278,000;

(E) The completion of the Project will not result in the removal of a plant or facility of any proposed occupant of the Project Facility from one area of the State of New York to

another area in the State of New York and will not result in the abandonment of one or more plants or facilities of any occupant of the Project Facility located in the State of New York;

(F) Although the Project may constitute a project where facilities or property that are primarily used in making retail sales to customers who personally visit such facilities constitute more than one-third of the total project cost, the Company has represented to the Agency that (i) the predominant purpose of the Project would be to make available goods or services which would not, but for the Project, be reasonably accessible to residents of Rensselaer County, New York, because of a lack of reasonably accessible retail trade facilities offering such goods or services, (ii) the Project is located within census tract 523.4, which is contiguous to census tract 410, which is considered to be a distressed census tract and therefore is in a "highly distressed area", as that term is defined in Section 854(18) of the Act, and (iii) completion of the Project will serve the public purposes of the Act by increasing the overall number of permanent, private sector jobs in the State of New York;

(G) The granting of the Financial Assistance by the Agency with respect to the Project will promote and maintain the job opportunities, general prosperity and economic welfare of the citizens of Rensselaer County, New York and the State of New York and improve their standard of living, and thereby serve the public purposes of the Act;

(H) The Agency has reviewed the Public Hearing Report and has fully considered all comments contained therein;

(I) The Project should receive the Financial Assistance in the form of exemption from sales tax based on the description of expected public benefits to occur as a result of this Project, as described on Exhibit A attached hereto and failure by the Company to meet the expected public benefits will result in a recapture event, as described on Exhibit B attached hereto; and

(J) It is desirable and in the public interest for the Agency to enter into the Agency Documents.

Section 4. In consequence of the foregoing, the Agency hereby determines to: (A) accept the License Agreement; (B) lease the Project Facility to the Company pursuant to the Lease Agreement; (C) acquire, construct and install the Project Facility, or cause the Project Facility to be acquired, installed and constructed; (D) enter into the Payment in Lieu of Tax Agreement; (E) enter into the Section 875 GML Recapture Agreement; (F) enter into the Uniform Project Benefits Agreement; (G) secure the Loan by entering into the Mortgage; and (H) grant the Financial Assistance with respect to the Project; provided, however, that no financial assistance shall be provided to the Project by the Agency unless and until the County Executive of Rensselaer County, New York, as chief executive officer of Rensselaer County, New York, shall, pursuant to Section 862(2)(c) of the Act, confirm the proposed action of the Agency with respect to the Project.

Section 5. The Agency is hereby authorized (A) to acquire a license in the Licensed Premises pursuant to the License Agreement, (B) to acquire a leasehold interest in the Leased Premises pursuant to the Underlying Lease, (C) to acquire title to the Equipment pursuant to a bill of sale (the "Bill of Sale to Agency") from the Company to the Agency, and (D) to do all things necessary or appropriate for the accomplishment thereof, and all acts heretofore taken by the Agency with respect to such acquisitions are hereby approved, ratified and confirmed; provided, however, that no financial assistance shall be provided to the Project by the Agency unless and until the County Executive of Rensselaer

County, New York, as chief executive officer of the Rensselaer County, New York, shall, pursuant to Section 862(2)(c) of the Act, confirm the proposed action of the Agency with respect to the Project.

Section 6. The Agency is hereby authorized to acquire, construct and install the Project Facility as described in the Lease Agreement and to do all things necessary or appropriate for the accomplishment thereof, and all acts heretofore taken by the Agency with respect to such acquisition, construction and installation are hereby ratified, confirmed and approved; provided, however, that no financial assistance shall be provided to the Project by the Agency unless and until the County Executive of Rensselaer County, New York, as chief executive officer of the Rensselaer County, New York, shall, pursuant to Section 862(2)(c) of the Act, confirm the proposed action of the Agency with respect to the Project.

Section 7. The Chairman (or Vice Chairman) of the Agency, with the assistance of Agency Counsel and/or Special Counsel, is authorized to negotiate and approve the form and substance of the Agency Documents.

Section 8. (A) The Chairman (or Vice Chairman) of the Agency is hereby authorized, on behalf of the Agency, to execute and deliver the Agency Documents, and, where appropriate, the Secretary (or Assistant Secretary) of the Agency is hereby authorized to affix the seal of the Agency thereto and to attest the same, all in the forms thereof as the Chairman (or Vice Chairman) shall approve, the execution thereof by the Chairman (or Vice Chairman) to constitute conclusive evidence of such approval.

(B) The Chairman (or Vice Chairman) of the Agency is hereby further authorized, on behalf of the Agency, to designate any additional Authorized Representatives of the Agency (as defined in and pursuant to the Lease Agreement).

Section 9. The officers, employees and agents of the Agency are hereby authorized and directed for and in the name and on behalf of the Agency to do all acts and things required or provided for by the provisions of the Agency Documents, and to execute and deliver all such additional certificates, instruments and documents, to pay all such fees, charges and expenses and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, desirable and proper to effect the purposes of the foregoing Resolution and to cause compliance by the Agency with all of the terms, covenants and provisions of the Agency Documents binding upon the Agency.
