The Hearing Officer identified himself and stated that anyone who wished to speak in favor of or in opposition to the project was welcome to speak. It was stated that the purpose of this hearing was to gather information from all interested parties which would be transmitted to the Rensselaer County Industrial Development Agency Board prior to its April 13, 2017 meeting. Tom Grant, Town Councilman, also voiced support for the warehouse project.

The Hearing Officer asked if there were any other people who wished to speak or if anyone had written comments they wished to provide. There was no response.
