

Cash Flow Management

Understanding How to Manage Your Business' Cash Inflows and Outflows

Managing Cash Flow can be one of the most challenging tasks small business owners face on a daily basis.

During this seminar attendees will be provided with:

Overview of Cash Flow Management Basics

Importance of Utilizing Accounting Software and Understanding Accounting Reports

How to Develop a Cash Flow Budget for Your Business

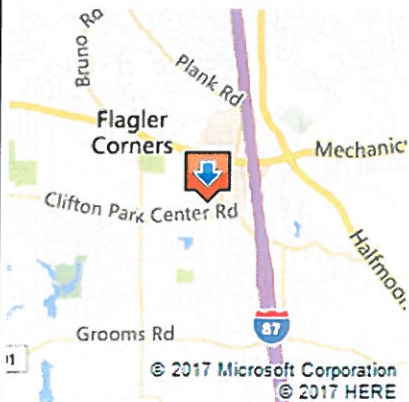

How to Use Your Cash Flow Budget to Manage Daily Cash Flow

All attendees of the seminar will be provided with an excel spreadsheet to assist them in developing a Cash Flow Budget, sample Accounting Reports and an opportunity to schedule an appointment with a Business Advisor from the Small Business Development Center to develop a personalized Cash Flow Budget for their business at no additional charge.
