Consultant to the Authority
March 30, 2017 Meeting

I. INFILTRATION AND INFLOW REDUCTION PROJECTS

The projects under this category include sewer lining and I / I evaluation.

1. There is no activity to report under this category.

II. PUMP STATION PROJECTS

Item 1. 3 rd Ave Pump Station

New replacement pumps have been installed. The Authority awarded the purchase of a new control panel and installation from Shrier- Martin on August 18, 2016 for \$14,823.00. The controls have arrived and will be installed in the several weeks. The cost of installation was awarded to JP Industrial for \$9,850.00 also at that time. Therefore these two invoices are still outstanding pending completion of work.

Actions to be taken:

3 rd Ave PS

1. Make Payment to Shier-Martin for the amount of **\$14,823.00** for the control panel received for the pump station.
2. Make payment to HV LaBarba for construction administration for the above project in the amount of **\$552.50**.
