Re: Regeneron Pharmaceuticals, Inc. ("Regeneron") IDA Warehouse Project Request

Dear Mr. Pasinella,

In February, 2017, Regeneron Pharmaceuticals, Inc., a New York business corporation (the "Company"), submitted an application (the "Application") to the Rensselaer County Industrial Development Agency (the "Agency"), a copy of which Application is on file at the office of the Agency, which Application requested that the Agency consider undertaking a project (the "Project") for the benefit of the Company, said Project consisting of the following: (A) (1) the acquisition of an interest in an approximately 119 acre parcel of land located at 401 Temple Lane and Lisa's Avenue in the Town of East Greenbush, Rensselaer County, New York (being a portion of tax map numbers 144.-3-5.1 and 144.-3-4) (the "Land"), (2) the construction on the Land of an approximately 211,600 square foot facility with related site work and with related parking for approximately 262 vehicles (collectively, the "Facility") and (3) the acquisition and installation therein and thereon of related fixtures, machinery, equipment and other personal property (collectively, the "Equipment"), all of the foregoing to constitute a warehouse for the existing pharmaceutical manufacturing facility (the Land, the Facility and the Equipment being collectively referred to as the "Project Facility"); (B) the granting of certain "financial assistance" (within the meaning of Section 854(14) of the Act) with respect to the foregoing, including potential exemptions from certain sales and use taxes, real property taxes, real estate transfer taxes and mortgage recording taxes (collectively, the "Financial Assistance"); and (C) the lease (with an obligation to purchase) or sale of the Project Facility to the Company or such other person as may be designated by the Company and agreed upon by the Agency.

In order to preserve the sales tax exemption which forms a major portion of the Financial Assistance, on April 13, 2017, the members of the Agency adopted a Resolution (the "Resolution"), pursuant to which, but subject to certain conditions, the Agency temporarily appointed the Company to act as agent of the Agency to undertake and complete the Project and LeChase Construction Services, LLC (the "Contractor"), as sub-agent of the Agency to undertake the Project. Subject to the appointment and following execution by both the Company and the Contractor of certain required documents, the Agency issued an interim sales tax exemption letter to the Company and the Contractor, and the Agency filed with the New York State Department of Taxation and Finance the form entitled "IDA Appointment of Project Operator or Agent for Sales Tax Purposes". The interim appointment described herein was to terminate on July 13, 2017, which was the date the Company and the Contractor originally determined that permanent documents in connection with the Project would be fully executed and delivered. In June, 2017, the Company determined that the Project would be expanded and the Company would therefore need to apply to the Agency for a new PILOT deviation. In order to allow sufficient time for the necessary applications to be submitted, documents to be submitted and public hearings to take place in order to expand the scope of the Project, the Company requested that the Resolution be amended to provide that the agency and sub-agency appointments for the Company and Contractor terminate on November 15, 2017. On July 13, 2017, the members of the Agency amended the Resolution to provide that the agency and sub-agency appointments for the Company and Contractor will terminate on November 15, 2017. In order to expand the Project, the Company entered into a Purchase and Sale Agreement pursuant to which the Company has agreed to purchase certain property upon which the Project will be constructed. Due to

circumstances beyond the Company's control, the purchase of such property under the Purchase and Sale Agreement has been delayed by the seller. The Company therefore requests, in order to allow sufficient time for the necessary applications to be submitted (to include the to-be-purchased property), documents to be submitted and public hearings to take place in order to expand the scope of the Project, that the Resolution be again amended to provide that the agency and sub-agency appointments for the Company and Contractor terminate on December 31, 2017.

WHEREAS, by further resolution adopted by the members of the Agency on April 13, 2017 (the "Approving Resolution"), the Agency determined to grant the Financial Assistance and to enter into a lease agreement (the "Lease Agreement") between the Agency and the Company and certain other documents related thereto and to the Project (collectively with the Lease Agreement, the "Basic

Pursuant to the terms of the Lease Agreement, (A) the Company will agree (1) to cause the Project to be undertaken and completed, and (2) as agent of the Agency, to undertake and complete the Project and (B) the Agency has leased the Project Facility to the Company. The Lease Agreement grants to the Company certain options to acquire the Project Facility from the Agency; and

WHEREAS, by resolution adopted by the members of Agency on July 13, 2017 (the “Resolution Extending Agent Appointment Term and Authorizing Amendment to Interim Documents”), the Agency agreed to extend the appointment of (A) the Company as agent of the Agency and (B) the Contractor, as sub-agent of the Agency from July 12, 2017 to November 15, 2017 (the “Subsequent Interim Term Date”); and

WHEREAS, in July, 2017, the Agency, the Company and the Contractor entered into an interim modification agreement dated as of July 1, 2017 (the “Interim Modification Agreement”) which Interim Modification Agreement implemented the Subsequent Interim Term Date; and
