I. PUMP STATION PROJECTS

Hampton Manor Pump Station Upgrade - The replacement control panel has received . We are waiting for work to start by JP Industrial and his electrician which was awarded the installation of the panel previously. Once installed the generator can also be connected.

3 rd Ave Pump Station Upgrade - The replacement control panel has been installed and is now working.

We hope to address these items in the coming months.

Actions to be taken:

- 1. Final Payment to JP Industrial** in the amount of : **\$8,750.00** for the control panel installation and startup..
- 2. Payment of \$1,062.50** to HV LaBarba & Assoc. for work during the last month period on the pump station projects.
