Dear Robin:

Affordable rents lead to financial wellness, home ownership and community investment. TRIP and RCHR lead the industry in helping renters overcome significant barriers to homeownership. Home is where 270 people call one of our apartment's which we own or manage. Not only do they find safety and security inside those walls but the support necessary to build their own wealth. We need your help with this.

Our signature events raise essential funds that provide the tools to connect individuals and families with resources and knowledge to live in desirable homes and create vibrant sustainable communities. "Take a Sip for TRIP" will be held on Thursday, June 13th and is a fun evening featuring NYS beers, wines, spirits, ciders and soft drinks. On Monday, October 21st, we will celebrate strong organization and community partnerships at our **Annual Homecoming Dinner**. These events bring together community members, industry leaders, banking executives and others who strongly believe in the work we do.
