- Section 2. Can we up extend the end date to 12/31/22 (or at least 6/30/22)? The building is still 1/3 vacant — we'd like to be able to use up the balance of our original projection to fill the building.

Covid has all but shut down the market for office space. The extension will help offset that.

Otherwise, looks good - I definitely like how simple it is.

Thanks Jonathan
