(the "Tenant") (the Land, the Facility and the Equipment being collectively referred to as the "Project Facility"); (B) the granting of certain "financial assistance" (within the meaning of Section 854(14) of the Act) with respect to the foregoing, including potential exemptions from sales taxes, real property transfer taxes, mortgage recording taxes and real estate taxes (collectively, the "Financial Assistance"); and (C) the lease of the Project Facility to the Company pursuant to a lease agreement dated as of November 1, 2018 (the "Lease Agreement") by and between the Agency and the Company; and

WHEREAS, the Company has made a request to the Agency (the “Pilot Request”) that the Agency amend the Original Payment in Lieu of Tax Agreement pursuant to an amendment to payment in lieu of tax agreement (the “First Amendment to Payment in Lieu of Tax Agreement”) by and between the Agency and the Company; and

WHEREAS, the First Amendment to Payment in Lieu of Tax Agreement will be a deviation from the Agency’s uniform tax exemption policy (the “Policy”), said deviation as outlined in Exhibit A attached hereto and as outlined by the Executive Director of the Agency at this meeting; and

WHEREAS, pursuant to the representations made to the Agency by the Company, the Agency will not provide to the Company more than \$100,000 of Financial Assistance with respect to the First Amendment to Payment in Lieu of Tax Agreement; therefore, Section 859-a of the Act does not require a public hearing be held with respect to the First Amendment to Payment in Lieu of Tax Agreement; and

WHEREAS, pursuant to Section 874(4) of the Act, prior to taking final action on such request for a deviation from the Agency’s Policy, the Agency must give the chief executive officers of the County and each city, town, village and school district in which the Project Facility is located (collectively, the “Affected Tax Jurisdictions”) prior written notice of the proposed deviation from the Agency’s Policy and the reasons therefor; and

WHEREAS, pursuant to Section 856(15) of the Act, unless otherwise agreed by the affected tax jurisdictions, payments in lieu of taxes must be allocated among the affected tax jurisdictions in proportion to the amount of real property tax and other taxes which would have been received by each affected tax jurisdiction had the Project Facility not been tax exempt due to the status of the Agency; and

WHEREAS, pursuant to Article 8 of the Environmental Conservation Law, Chapter 43 B of the Consolidated Laws of New York, as amended (the “SEQR Act”) and the regulations adopted pursuant thereto by the Department of Environmental Conservation of the State of New York, being 6 NYCRR Part 617, as amended (the “Regulations” and collectively with the SEQR Act, “SEQRA”), the Agency must satisfy the requirements contained in SEQRA prior to making a final determination whether to enter into the First Amendment to Payment in Lieu of Tax Agreement (the “Amendment”); and

WHEREAS, pursuant to SEQRA, the Agency has examined the Amendment in order to make a determination as to whether the Amendment is subject to SEQRA, and it appears that the Amendment constitutes a Type II action under SEQRA;

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF RENSSELAER COUNTY INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Section 1. Based upon an examination of the Amendment, the Agency hereby determines that the Amendment constitutes a “Type II action” pursuant to 6 NYCRR 617.5(26), and therefor that, pursuant to 6 NYCRR 617.6(1)(i), the Agency has no further responsibilities under SEQRA with respect to the Amendment.

Section 2. Having considered the Company's Pilot Request, the Executive Director, is hereby authorized to send a written notice to the chief executive officers of each of the Affected Tax Jurisdictions (A) informing them that the Agency is considering a proposed deviation, as outlined in Exhibit A and as outlined by the Executive Director of the Agency at this meeting, from its Policy with respect to the Project and the reasons therefor and (B) soliciting any comments that such Affected Tax Jurisdictions may have with respect to said proposed deviation.

RE: Rensselaer County Industrial Development Agency
Proposed Deviation from Uniform Tax Exemption Policy
Greenbush Associates, LLC (33 Tech Valley) Project

Dear Ladies and Gentlemen:

On November 20, 2018, Rensselaer County Industrial Development Agency (the "Agency") undertook the following Project (the "Project") for the benefit of Greenbush Associates, LLC (the "Company"), said Project consisting of the following: (A) (1) the acquisition of an interest in an approximately 5 acre portion of an approximately 41.56 acre parcel of land located at 33 Tech Valley Drive (tax map no. 156.-2-1.111) in the Town of East Greenbush, Rensselaer County, New York (the "Land"), (2) the construction of (a) an approximately 37,000 to 74,000 square foot building thereon and (b) access roads thereon and thereto (collectively, the "Facility") and (3) the acquisition and installation therein and thereon of related fixtures, machinery, equipment and other tangible personal property including, without limitation, tenant improvement and finish (collectively, the "Equipment"); all of the foregoing consisting of an office, research and light assembly facility, a portion of which to be leased by the Company to Autotask Corporation (Parent Company: Datto, Inc.) (the "Tenant") (the Land, the Facility and the Equipment being collectively referred to as the "Project Facility"); (B) the granting of certain "financial assistance" (within the meaning of Section 854(14) of the Act) with respect to the foregoing, including potential exemptions from sales taxes, real property transfer taxes, mortgage

recording taxes and real estate taxes (collectively, the “Financial Assistance”); and (C) the lease of the Project Facility to the Company pursuant to a lease agreement dated as of November 1, 2018 (the “Lease Agreement”) by and between the Agency and the Company.

Pursuant to a lease to Agency dated as of November 1, 2018 (the “Underlying Lease”) by and between the Company and the Agency, on or about November 20, 2018, the Agency acquired a leasehold interest in the Land.

Simultaneously with the Closing, (A) the Company and the Agency executed and delivered a payment in lieu of tax agreement dated as of November 1, 2018 (the “Original Payment in Lieu of Tax Agreement”) by and between the Agency and the Company, pursuant to which the Company agreed to pay certain payments in lieu of taxes with respect to the Project Facility and (B) the Agency filed with the assessor and mail to the chief executive officer of each “affected tax jurisdiction” (within the meaning of such quoted term in Section 854(16) of the Act) a copy of a New York State Board of Real Property Services Form 412-a (the form required to be filed by the Agency in order for the Agency to obtain a real property tax exemption with respect to the Project Facility under Section 412-a of the Real Property Tax Law) (the “Real Property Tax Exemption Form”) relating to the Project Facility and the Original Payment in Lieu of Tax Agreement. The Original Payment in Lieu of Tax Agreement provides that the Company make the following payments for the term of the Original Payment in Lieu of Tax Agreement (the earlier to occur of (1) December 31, 2034 or (2) the date on which the Project Facility is reconveyed by the Agency to the Company pursuant to the Lease Agreement) as follows:

Tax Year	Payment in lieu of taxes	Current Rate
Year 1/2020	\$81,400.00	N/A
Year 2/2021	\$83,028.00	2%
Year 3/2022	\$84,689.00	2%
Year 4/2023	\$86,383.00	2%
Year 5/2024	\$88,111.00	2%
Year 6/2025	\$89,873.00	2%
Year 7/2026	\$91,670.00	2%
Year 8/2027	\$93,503.00	2%
Year 9/2028	\$95,373.00	2%
Year 10/2029	\$97,280.00	2%
Year 11/2030	\$99,226.00	2%
Year 12/2031	\$101,211.00	2%
Year 13/2032	\$103,235.00	2%
Year 14/2033	\$105,300.00	2%
Year 15/2034	\$107,406.00	2%
Year 16/2035	Full Taxes	

The Company has requested that the Agency consider an amendment to the Original Payment in Lieu of Tax Agreement (the “First Amendment to Payment in Lieu of Tax Agreement”).

The proposed term of the First Amendment to Payment in Lieu of Tax Agreement would not provide any abatements for any special assessments levied on the Project Facility. The proposed term of the First Amendment to Payment in Lieu of Tax Agreement would generally provide that the Company will make the following payments in each year as a Pilot Payment to each Affected Tax Jurisdiction as follows:

Tax Year	Payment in lieu of taxes	Current Rate
Year 1/2020	\$81,400.00	N/A
Year 2/2021	\$83,028.00	2%
Year 3/2022	\$49,689.00	
Year 4/2023	\$51,383.00	
Year 5/2024	\$88,111.00	2%
Year 6/2025	\$89,873.00	2%
Year 7/2026	\$91,670.00	2%
Year 8/2027	\$93,503.00	2%
Year 9/2028	\$95,373.00	2%
Year 10/2029	\$97,280.00	2%
Year 11/2030	\$99,226.00	2%
Year 12/2031	\$101,211.00	2%
Year 13/2032	\$103,235.00	2%
Year 14/2033	\$105,300.00	2%
Year 15/2034	\$107,406.00	2%
Year 16/2035	Full Taxes	

The terms of the First Amendment to Payment in Lieu of Tax Agreement deviate from the Agency's Uniform Tax Exemption Policy (the "Policy"). Normally, under the Agency's Policy for this type of facility, the Company would have the benefit of a 50% abatement in real property taxes on the Facility and any portion of the Equipment assessable as real property pursuant to the New York Real Property Tax Law (collectively with the Facility, the "Improvements") in year one of the payment in lieu of tax agreement with a five percent per year increase over the term of the ten year payment in lieu of tax agreement.

The purpose of this letter is to inform you of such deviation and that the Agency is considering the terms of the First Amendment to Payment in Lieu of Tax Agreement. The Agency expects to consider whether to approve the terms of the First Amendment to Payment in Lieu of Tax Agreement at its meeting scheduled for August 12, 2021 at 4:00 o'clock, p.m., local time at the offices of the Agency located in the 3rd Floor Conference Room at the Quackenbush Building located at 333 Broadway in the City of Troy, Rensselaer County, New York (the "Meeting"). This letter is forwarded to you for purposes of complying with Section 874 of the General Municipal Law of the State of New York prior to the Agency taking final action with respect to the First Amendment to Payment in Lieu of Tax Agreement.

The reasons the Agency is considering deviating from its Policy with respect to the Project are as follows:

1. **The nature of the Project:** the construction of the Facility.
2. **The present use of the property:** The Facility is complete and is being leased to various tenants including Autotask Corporation (Parent company: Datto, Inc.) for use as offices, research and light assembly space.
3. **The economic condition of the area at the time of the request of the Company and the economic multiplying effect that the Project will have on the area:** The Company originally developed 5 separate buildings in the East Greenbush Technology Park (the "Tech Park") and currently owns and operates 4 of the 5 buildings. The buildings within the East Greenbush Tech Park owned by the Company range from 60,000 square feet to 92,000 square feet of office, research, lab, warehouse, light manufacturing and light assembly space and are identified as 15, 30, 31, and 33 Tech Valley Drive, East Greenbush, New York (the "Buildings"). There are no less than eleven (11) tenants with existing

businesses that occupy the Buildings at the Tech Park. The Building tenants collectively employ approximately 700 employees. Many of the companies within the park are computer driven, pharmaceutical, scientific, and research based. In 2020-2021 the Company has invested over \$1.6 Million for improvements to the Buildings so that the Tech Park and businesses can remain modern, state of the art and competitive. The Tech Park, with the help of the Town of East Greenbush and the Rensselaer County IDA, has created a dynamic business environment with a predictable and competitive tax base resulting in the retention of existing tenant jobs as well as an increase in new high tech jobs within the Tech Park. Greenbush Associates LLC is making efforts to retain existing and attract new tenants within the Tech Park to keep tenants' Capital District footprint in the Tech Park and the Town of East Greenbush.

The economic multiplier effect for the improvements is estimated at 2 times the investment (\$3.2 Million) or \$4.2 Million (manufacturing business multiplier is 2.6 times while the multiplier for professional and service business is 1.6 according to the U.S. Bureau of Economic Analysis, Annual Input-Output Tables). Without the investment to accommodate the growing needs of the tenants and given the nature of this competitive market, tenants could leave the Tech Park and invest in another area.

4. The extent to which the Project will create or retain permanent, private sector jobs and the number of jobs to be created or retained and the salary range of such jobs: The tenants in 33 Tech Valley employ approximately 133 full time workers. (See annual Report for 2020). It is expected that the investment will result in the retention of these existing jobs and the increase of no less than an estimated fifty (50) new jobs. As Landlord, the Company is not privy to the range of workers' salaries for the employees, but the anticipated new jobs are computer-driven and technology-based office jobs that traditionally are in the higher end of the pay scale.

5. The estimated value of new tax exemptions to be provided: Real property \$70,000.

6. The economic impact of the First Amendment to Payment in Lieu of Tax Agreement on affected tax jurisdictions: Although the affected tax jurisdictions will be receiving less of a payment for years 2022 and 2023 they will receive the full amounts under the remainder of the First Amendment to Payment in Lieu of Tax Agreement.

7. The impact of the First Amendment to Payment in Lieu of Tax Agreement on existing and proposed businesses and economic development projects in the vicinity: The creation of the Project Facility allowed the Tenant to retain existing employees and be better structured for growth by relocating them to this Project Facility. The additional employees of the Tenant, along with the existing employees of the Tenant will utilize the services of local businesses.

8. The amount of private sector investment generated or likely to be generated by the First Amendment to Payment in Lieu of Tax Agreement: \$10,600,000.

9. The effect of the First Amendment to Payment in Lieu of Tax Agreement on the environment: None.

10. Project Timing: The Project is completed.

11. The extent to which the First Amendment to Payment in Lieu of Tax Agreement will require the provision of additional services including, but not limited to, additional educational, transportation, police, emergency medical or fire services: No additional services required.

12. Anticipated Tax Revenues: The Buildings will continue to generate revenue under the terms of the First Amendment to Payment in Lieu of Tax Agreement and the special taxing districts. In addition, the additional workers located in the Tech Park will shop and dine in East Greenbush and Rensselaer County, thus generating additional spin-off sales tax and income tax.

13. The extent to which the First Amendment to Payment in Lieu of Tax Agreement will provide a benefit (economic or otherwise) not otherwise available within the municipality in which the Project Facility is located: The Company is currently paying taxes via the Payment in Lieu of Tax Agreement. However, due to the COVID-19 Pandemic, the Facility is not completely leased out to tenants. Therefore, the company would like a reduction in the current PILOT payments for years 2022 and 2023 as the company is currently lacking income from the entire building being occupied.

The Agency will consider the Project and the First Amendment to Payment in Lieu of Tax Agreement (and the proposed deviation from its Policy) at the Meeting. The Agency would welcome any written comments that you might have on this proposed deviation from the Agency's Uniform Tax Exemption Policy. In accordance with Section 874(4)(c) of the General Municipal Law, prior to taking final action at the Meeting, the Agency will review and respond to any written comments received from any affected tax jurisdiction with respect to the proposed deviation. The Agency will also allow any representative of any affected tax jurisdiction present at the Meeting to address the Agency regarding the proposed deviation.

Sincerely yours,

Robert L. Pasinella, Jr.
