WHEREAS, Rensselaer County Industrial Development Agency (the "Agency") is authorized and empowered by the provisions of Chapter 1030 of the 1969 Laws of New York, constituting Title 1 of Article 18-A of the General Municipal Law, Chapter 24 of the Consolidated Laws of New York, as amended (the "Enabling Act") and Chapter 128 of the 1974 Laws of New York, as amended, constituting Section 903-d of said General Municipal Law (said Chapter and the Enabling Act being hereinafter collectively referred to as the "Act") to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing of manufacturing, warehousing, research, commercial

and industrial facilities, among others, for the purpose of promoting, attracting and developing economically sound commerce and industry to advance the job opportunities, health, general prosperity and economic welfare of the people of the State of New York, to improve their prosperity and standard of living, and to prevent unemployment and economic deterioration; and

WHEREAS, to accomplish its stated purposes, the Agency is authorized and empowered under the Act to acquire, construct, reconstruct and install one or more “projects” (as defined in the Act), or to cause said projects to be acquired, constructed, reconstructed and installed, and to convey said projects or to lease said projects with the obligation to purchase; and

WHEREAS, in October, 2021, Gurley Avenue Property LLC, a New York State limited liability company (the “Company”), submitted an application (the “Application”) to the Agency, a copy of which Application is on file at the office of the Agency, requesting that the Agency consider undertaking a project (the “Project”) for the benefit of the Company, said Project consisting of the following: (A) (1) the acquisition of an interest in an approximately 5.01 acre parcel of land located at 255 Cemetery Road (tax map no.: 80.42-2-1) in the City of Troy, Rensselaer County, New York (the “Land”), (2) the construction on the Land of approximately three (3) buildings containing in the aggregate approximately 96,000 square feet of space with associated infrastructure and parking (collectively, the “Facility”) and (3) the acquisition and installation therein and thereon of certain machinery, equipment and other personal property (collectively, the “Equipment”) (the Land, the Facility and the Equipment being collectively referred to as the “Project Facility”); all of the foregoing to be owned and operating by the Company as an approximately 90 unit multifamily housing facility and any other directly and indirectly related activities; (B) the granting of certain “financial assistance” (within the meaning of Section 854(14) of the Act) with respect to the foregoing, including potential exemptions from certain sales and use taxes, real property taxes, real estate transfer taxes and mortgage recording taxes (collectively, the “Financial Assistance”); and (C) the lease (with an obligation to purchase) or sale of the Project Facility to the Company or such other person as may be designated by the Company and agreed upon by the Agency; and

WHEREAS, at the time that the Planning Commission determined itself to be the “lead agency” with respect to the Project, it was not known that the Agency was an “involved agency” with respect to the Project, and, now that the Agency has become an “involved agency” with respect to the Project, the Agency desires to concur in the designation of the Planning Commission as “lead agency” with respect to the Project, to acknowledge receipt of a copy of the Negative Declaration and to indicate that the Agency has no information to suggest that the Planning Commission was incorrect in determining that the Project will not have a “significant effect on the environment” pursuant to SEQRA;

Section 1. (A) The Agency has received copies of, and has reviewed, the Application, an environmental assessment form prepared by the Company and the Negative Declaration (collectively, the "Reviewed Documents") and, based upon said Reviewed Documents and the representations made by the Company to the Agency at this meeting, the Agency hereby ratifies and concurs in the designation of the Planning Commission as "lead agency" with respect to the Project (as such quoted term is defined in SEQRA).
