

NOTICE OF PUBLIC HEARING  
ON PROPOSED PROJECT  
AND FINANCIAL ASSISTANCE  
RELATING THERETO

Notice is hereby given that a public hearing pursuant to Section 859-a(2) of the General Municipal Law of the State of New York (the "Act") will be held by the Rensselaer County Industrial Development Agency (the "Agency") on the 3rd day of November, 2022 at 6:00 o'clock p.m., local time, at East Greenbush Town Hall, located at 225 Columbia Turnpike, in the Town of East Greenbush, Rensselaer County, New York in connection with the following matters:

Regeneron Pharmaceuticals, Inc., a State of New York business corporation (the "Company"), submitted an application (the "Application") to the Agency, a copy of which Application is on file at the office of the Agency, which Application requested that the Agency consider undertaking a project (the "Project") for the benefit of the Company, said Project consisting of the following: (A) (1) the continued interest in an approximately 6 acre parcel of land (tax map number 156.-2-1.112) located at 30 Tech Valley Drive in the East Greenbush Technology Park in the Town of East Greenbush, Rensselaer County, New York (the "Land"), together with an existing approximately 74,000 square foot building located thereon (the "Facility"), (2) the renovation of the Facility and (3) the acquisition and installation therein and thereon of related fixtures, machinery, equipment and other personal property (the "Equipment"), all of the foregoing to constitute renovations and improvements to the existing office space of the pharmaceutical manufacturing facility being owned and operated by the Company, including, but not limited to, the upgrades of existing office space and the addition of perimeter fencing (the Land, the Facility and the Equipment being collectively referred to as the "Project Facility"); (B) the granting of certain "financial assistance" (within the meaning of Section 854(14) of the Act) with respect to the foregoing, including potential exemptions from certain sales and use taxes, real property taxes, real estate transfer taxes and mortgage recording taxes (collectively, the "Financial Assistance"); and (C) the lease (with an obligation to purchase) or sale of the Project Facility to the Company or such other person as may be designated by the Company and agreed upon by the Agency.

The Agency is considering whether (A) to undertake the Project, and (B) to provide certain exemptions from taxation with respect to the Project, including (1) exemption from mortgage recording taxes with respect to any documents, if any, recorded by the Agency with respect to the Project in the office of the County Clerk of Rensselaer County, New York or elsewhere, (2) exemption from deed transfer taxes on any real estate transfers, if any, with respect to the Project, (3) exemption from sales taxes relating to the acquisition, construction, renovation and installation of the Project Facility, and (4) in the event that the Project Facility would be subject to real property taxation if owned by the Company but shall be deemed exempt from real property taxation due to the involvement of the Agency therewith, exemption from real property taxes (but not including special assessments and special ad valorem levies), if any, with respect to the Project Facility, subject to the obligation of the Company to make payments in lieu of taxes with respect to the Project Facility. If any portion of the Financial Assistance to be granted by the Agency with respect to the Project is not consistent with the Agency's uniform tax exemption policy, the Agency will follow the procedures for deviation from such policy set forth in Section 874(4) of the Act prior to granting such portion of the Financial Assistance.

If the Agency determines to proceed with the Project, the Project Facility will be acquired, constructed, reconstructed and installed by the Agency and will be leased (with an obligation to purchase) or sold by the Agency to the Company or its designee pursuant to a project agreement (the "Agreement") requiring that the Company or its designee make certain payments to the Agency.

Pursuant to Article 8 of the Environmental Conservation Law, Chapter 43-B of the Consolidated Laws of New York, as amended (the "SEQR Act") and the regulations (the "Regulations") adopted pursuant thereto by the Department of Environmental Conservation of the State of New York (collectively with the SEQR Act, "SEQRA"), by resolution adopted by the members of the Agency on October 13, 2022 (the "SEQR Resolution"), the Agency determined that the Project constituted a "Type II action" (as such quoted term is defined under SEQRA), and therefor that no further action with respect to the Project was required under SEQRA.

The Agency will at said time and place hear all persons with views on either the location and nature of the proposed Project, or the Financial Assistance being contemplated by the Agency in connection with the proposed Project. A copy of the Application filed by the Company with the Agency with respect to the Project, including an analysis of the costs and benefits of the Project, is available for public inspection during business hours at the offices of the Agency. A transcript or summary report of the hearing will be made available to the members of the Agency.
