RE: Proposed Deviation from Uniform Tax Exemption Policy by  
Rensselaer County Industrial Development Agency  
in connection with its Proposed Regeneron Pharmaceuticals, Inc.-30 Tech Valley Drive  
Renovation Project

Gentlemen:

This letter is delivered to you pursuant to Section 874(4)(c) of the General Municipal Law.

Regeneron Pharmaceuticals, Inc. (the "Company") submitted an application (the "Application") to Rensselaer County Industrial Development Agency (the "Agency"), which Application requested that the Agency consider undertaking a project (the "Project") for the benefit of the Company, said Project to consist of the following: (A) (1) the continued interest in an approximately 6 acre parcel of land (tax map number 156.-2-1.112) located at 30 Tech Valley Drive in the East Greenbush Technology Park in the Town of East Greenbush, Rensselaer County, New York (the "Land"), together with an existing approximately 74,000 square foot building located thereon (the "Facility"), (2) the renovation of the Facility and (3) the acquisition and installation therein and thereon of related fixtures, machinery, equipment and other personal property (the "Equipment"), all of the foregoing to constitute renovations and improvements to the existing office space of the pharmaceutical manufacturing facility being owned and operated by the Company, including, but not limited to, the upgrades of existing office space and the addition of perimeter fencing (the Land, the Facility and the Equipment being collectively referred to as the "Project Facility"); (B) the granting of certain "financial assistance" (within the meaning of Section 854(14) of the Act) with respect to the foregoing, including potential exemptions from certain sales and use taxes, real property taxes, real estate transfer taxes and mortgage recording taxes (collectively, the "Financial Assistance"); and (C) the lease (with an obligation to purchase) or sale of the Project Facility to the Company or such other person as may be designated by the Company and agreed upon by the Agency.

In connection with the Application, the Company has made a request to the Agency enter into a payment in lieu of tax agreement (the "Proposed Pilot Agreement") which terms would deviate from the Agency's Uniform Tax Exemption Policy (the "Policy"). Capitalized terms not otherwise defined herein are defined in the Policy.

The Proposed Pilot Agreement would not provide any abatements for any special assessments levied on the Project Facility. The Proposed Pilot Agreement would be for a term of 10 years with a fixed assessment of \$10,000,000 during the term of the Proposed Pilot Agreement with the Company making the payments in each year as a Pilot Payment to each Affected Tax Jurisdiction as follows:

Year	Schedule of Pilot Payments
2024	\$179,080
2025	\$188,034
2026	\$197,436
2027	\$207,307
2028	\$217,673
2029	\$228,557
2030	\$239,984
2031	\$251,984
2032	\$264,583
2033	\$277,812

The Policy provides that, for a facility similar to the Project Facility, payments in lieu of taxes will normally be determined as follows: the Company would have the benefit of a 50% abatement in real property taxes on the Facility and any portion of the Equipment assessable as real property pursuant to the New York Real Property Tax Law (collectively with the Facility, the "Improvements") in year one of the payment in lieu of tax agreement with a five percent per year increase over the term of the ten year payment in lieu of tax agreement.

The purpose of this letter is to inform you of such Pilot Request and that the Agency is considering whether to grant the Pilot Request and to approve a Proposed Pilot Agreement conforming to the terms of the Pilot Request. The Agency expects to consider whether to approve the terms of the Proposed Pilot Agreement at its meeting scheduled for December 8, 2022 at 4:00 o'clock p.m., local time at the offices of the Agency located in the 3rd Floor Conference Room at the Quackenbush Building located at 333 Broadway in the City of Troy, Rensselaer County, New York (the "Meeting"). This letter is forwarded to you for purposes of complying with Section 874 of the General Municipal Law of the State of New York, which requires a thirty (30) day notice prior to the Agency taking final action with respect to the Proposed Pilot Agreement (if said Proposed Pilot Agreement may deviate from the provisions of the Agency's Uniform Tax Exemption Policy).

The Agency considered the following factors in considering the proposed deviation:

1. **The nature of the Project:** renovations to existing office building.
2. **The present use of the property:** office building.

Honorable Steven F. McLaughlin, County Executive  
Jack Conway, Supervisor

3. **The economic condition of the area at the time of the request of the Company and the economic multiplying effect that the Project will have on the area:** The Town of East Greenbush neighborhood in the vicinity of the Project is primarily commercial with residential close by with evidence of recent growth on both sides. A \$1.40 multiplier effect (According to the U.S. Bureau of Economic Analysis, 2007) above the anticipated \$19,200,000 spending on the Project, Company's investment is reasonably expected to further strengthen the area economy.

4. **The extent to which the Project will create or retain permanent, private sector jobs and the number of jobs to be created or retained and the salary range of such jobs:** Expected 80 full-time jobs with salary range of \$60,000 - \$145,000. Also expecting 10 construction jobs to be created.

5. **The estimated value of new tax exemptions to be provided:** exemption from sales tax: \$351,000 and exemption from real property tax: \$1,329,151.

6. **The economic impact of the Proposed Pilot Agreement on affected tax jurisdictions:** The existing annual tax payments from the Company at the Project site are \$45,682 for 2022; the renovations being induced by the Proposed Pilot Agreement will result in approximately \$1,795,000 of additional tax revenue over the ensuing 10 years.

7. **The impact of the Proposed Pilot Agreement on existing and proposed businesses and economic development projects in the vicinity:** A positive impact is expected given the investment by the Company the anticipated multiplier effect.

8. **The amount of private sector investment generated or likely to be generated by the Proposed Pilot Agreement:** Given the anticipated \$19,200,000 in Project investment from the Company and a \$1.40 multiplier effect (According to the U.S. Bureau of Economic Analysis, 2007) a \$26,880,000 total investment is likely by virtue of the Project Pilot Agreement and resulting investment by the Company.

9. **The effect of the Proposed Pilot Agreement on the environment:** None.

10. **Project Timing:** Anticipated to be completed by December 2024.

11. **The extent to which the Proposed Pilot Agreement will require the provision of additional services including, but not limited to, additional educational, transportation, police, emergency medical or fire services:** No additional service shall be required.

12. **Anticipated tax Revenues:** \$6,962,000 over ten years.

13. **The extent to which the Proposed Pilot Agreement will provide a benefit (economic or otherwise) not otherwise available within the municipality in which the Project Facility is located:** The Company, if not for the Proposed Pilot Agreement was considering other areas outside the local area.
